

DD/S&T

Attached is a memo to Dr. Kissinger from DOD on the Safeguard system. Packard's covering letter to the Director states the importance of making certain that the supporting intelligence is agreed to by the Intelligence Community.

General Cushman has asked the DDI, in coordination with the DD/S&T, to review the threat statement in the paper and inform him regarding its compatibility with NIE 11-8-69.

Bruce,

Here are 2 copies of the Safeguard paper which we discussed. Gen. Cushman has asked the DDI to review the threat assessment, in coordination with DD/S&T and inform him regarding its compatibility with NIE 11-8-69.
